GIDEONS

"Thank you for praying for our schools.

You may remember that we sent letters to our local schools suggesting that we provide New Testaments (NTs) for their pupils, and for their Chaplain or Staff to distribute.

We rejoice as we have another school requesting 100 NTs for their pupils.

This is a rich blessing in answered prayers

Please pray that the pupils will read these NTs and find the love that Jesus offers us all.

Praying for the town and surrounding villages

MARCH/APRIL 2021

'The hour has come for
The Son of Man to be glorified'
John 12:23

BBC

“Give thanks for God’s faithfulness and his loving care. Give thanks for acts of kindness and selfless love shown by so many to all those in need. Please pray for us all as we continue to trust in our Lord in our search for a new minister. Please pray for the community of Berkhamsted, for all those who are lonely and missing the fellowship of family, friends and church life.”

NBC

“Dear praying friends, thank you so much for your prayers. Please pray for us, that we can be increasingly loving in our mission and ministry. As we integrate our new worship leader, and develop the gifts of the congregation in leading and serving, and as we seek to give glory to God in everything we do, especially as we approach easter. Pray also for our team making hampers for vulnerable families, lessons in schools and pastoral support and care for the housebound and elderly, and for our Easter murder mystery event.”

SACRED HEART, BERKHAMSTED & CORPUS CHRISTI, TRING.

“Our Lord, Jesus, You have risen to new life! We pray for Easter Eyes. Give us new eyes with which to recognise your presence in the world. Sharpen our vision so that we may see beyond the ordinary and into the extraordinary reality of your grace. Brighten our view of the world with renewed hope. Soften our gaze so that we may view others with the kind of tenderness and compassion you show to so many. We pray for Easter Eyes, through Jesus Christ, our Risen Lord. Amen.”

HOLY TRINITY, POTTEN END

“Please pray for all those who have lost loved ones recently, especially those who have died suddenly and those whose family members have been unable to say goodbye. We have seen an increase in funerals and a greater impact on mental health over this last month so we ask for your prayers as we try to minister in those situations, and for people to know God’s love, light, peace and support in our troubled world.”

KINGS ROAD CHURCH

“Give thanks for many answers to prayer. Please pray for God to lead us as we continue to think of how the Spirit can fulfil the mandate to be good news to the poor and bind up the broken-hearted. Pray too that out of his glorious riches the Father may strengthen us with power through the Spirit in our inner being, so that Christ may dwell in our hearts through faith.”

SUNNYSIDE

“Give thanks that people are using our prayer posts in the churchyard and pray that our Easter Garden will help people think about Easter.”

BOURNE END

“Give thanks for our Lent group and all we are learning through it. Pray that our Easter card to the village will help people think about Easter.”

ST MARY’S

Pray that those who have been unable to follow services on the website will be able to attend church on Palm Sunday or Easter Day. Pray for the churchwardens as they organise the re-opening of the church for services. Pray for continued support of the Parish Pantry and the ‘Act of Kindness’ bags given as an Easter gift to those in need.

ST PETERS’

“We pray for our Church community and the opportunity we have had to connect online during our Lent Courses. We look ahead with hope to Easter, that together or apart, at home or in St Peter’s, we are able to reflect on the events of Jesus’ death and celebrate the glorious resurrection and hope of eternal life.”

HOSPICE OF ST FRANCIS

“Give thanks for the way all our teams have worked together during the pandemic. Please pray especially for a number of staff who are still suffering the after effects of Covid. Pray that those responsible for leading the hospice would have wisdom, vision and energy.”

ALL SAINTS

“Please pray that the ‘Lent planks’ outside All Saints’ might have encouraged passers-by to think about what Christianity might mean to them, for the Easter services and for guidance as we begin to think about our priorities for the next few months.”
